2. Academic Awards are the Degrees, Diplomas or Certificates awarded by the University under the terms of the relevant Regulations.
3. A candidate qualifies for an award on the date when he or she is credited with all courses and completes all other requirements for the award. *Note: See General Course and Examination Regulations Section C Work and Assessment Regulation 7.*
4. In order to receive an award a candidate must apply to the Registrar on the prescribed form.
5. Every award shall be conferred or presented at a Ceremony of the University called for the purpose or a meeting of the University Council.
6. In order to receive an award at the April/May graduation ceremonies, a candidate must have applied and qualified no later than 18 March; to receive an award at the December graduation ceremony, a candidate must have applied by 30 September and qualified at least 7 days before the date of the ceremony.
7. Subject to the provisions of Regulation 6, every candidate who has qualified and applied for the conferment of a degree or presentation of a diploma or certificate shall receive a document under the hand of the Chancellor, or in the absence of the Chancellor, the Pro-Chancellor or Vice-Chancellor, sealed with the University seal, certifying that the degree has been conferred or diploma or certificate presented. In the case of a candidate who qualifies for an undergraduate degree, the document shall, if appropriate, show the subject or subjects for which the degree is awarded. In the case of a candidate who qualifies for a degree or diploma with Honours or Distinction, the document shall certify this fact and, if appropriate, show the subject or subjects for which Honours or Distinction is awarded and the class of Honours.
8. If a candidate who qualifies for an award dies before receiving the award, the following provisions shall apply:
 - (a) if the candidate has before death applied to receive the award, then the award shall be granted posthumously unless the candidate's personal representative or next-of-kin has, with the consent of the Council, withdrawn the application;
 - (b) in any other case the candidate's personal representative or next-of-kin may apply and the award shall thereupon be granted.
9. The Council may withdraw or refuse to grant any academic award if satisfied that the candidate made any untrue or misleading statement or was guilty of any breach of regulations or dishonest practice in relation to the award.
10. The Council may award an honorary degree to any person who has been recommended for the degree by a Joint Committee appointed by the Council and the Academic Board.
