**Heather Masters, Arches, c.1933, watercolour on paper, UC-MBL-2540,
UC Art Collection, www.kohika.canterbury.ac.nz**

Heather Masters (1917–2012) produced this painting at the tender age of fifteen while studying at the Junior Canterbury College School of Art (CCSA).

Arches is from a series of picturesque drawings and paintings situated within the Gothic Revival-style architecture of Canterbury College. (Today, The Arts Centre Te Matatiki Toi Ora.)

Born in Taihape, Masters was enrolled at the CCSA from 1932 to 1936 where she studied design, antique, life drawing, portraiture, line drawing, landscape and lettering. Louise Henderson taught her design and embroidery, and she was also a talented metalworker. Masters' strength lay in decorative design, particularly her botanical friezes and wallpapers which exemplified the pervasive influence of the Arts and Craft movement in New Zealand's art schools.

After graduating, she began working in the fashion and design industry, illustrating catalogues for Auckland lingerie manufacturer Silk Knit, before moving on to designing and cutting patterns for Sir Dove-Meyer Robinson's firm, Childswear. Masters continued to produce art throughout her life and fostered her daughter Lyndsay Brock's creative talents. In 2004–05, curator and writer Ann Calhoun included several of Masters works in 'Simplicity & Splendour', a major exhibition at the Christchurch Art Gallery.

In 2013 the UC Art Collection received a generous donation from Dr John Wood and Dr Rod Carr; a student art portfolio produced by Heather Masters while a student here at UC..

Course Code	Course Title	Pts	2023	Location	P/C/R/RP/EQ
PHYS 399	Physics Research Note: Limited entry. See limitation of entry regulations.	15	S1	Campus	P: MATH 105 C: PHYS 398 R: ASTR 392 RP: PHYS 201 EQ: ASTR 392

Course code

The course code consists of a four-letter subject code (e.g., PHYS for Physics) and a three digit number (e.g., 399), the first number of which indicates the level of the course (eg, 399 = 300-level).

Course title

The course title (eg, Physics Research) provides a quick guide to the area covered by the course.

Notes

The notes contain any other important information which relates to the course.

Pts: Points

This is the number of points that will be credited to a student's degree/diploma/certificate if they pass the course.

2024

This indicates the teaching period (eg, semester) the course is offered in within the academic year., eg, S1 = Semester 1.

Note: SU2 indicates a November 2022 course start date.

For a full list of semester indicators and course dates, see www.canterbury.ac.nz/study/keydates
