

# Healthy habitat checklist

Don't forget to take a pencil to tick off the items you find.

Take this card and go for a short walk around the waterway with a friend. Look and listen for items on the list and tick them off when you find them.

## Can you find...

- Clear water  
can you see the bottom of the stream? (Yes / No)
- Plants on the stream bank
- Wood or leaves in the stream
- Rocks in the stream
- Fast moving water
- Fish
- Tall trees
- Shade
- Plant growing in the water  
Does it have flowers? (Yes / No)
- Bird (what kind was it? \_\_\_\_\_)
