

University Of Canterbury Ilam Fields Disc Golf Course

Disc Golf is suitable for all ages. Disc hire for students and staff is from UC Rec&Sport on Kirkwood Avenue. Discs can also be purchased from Vortica Disc Golf.

The object of Disc Golf is to complete each kete in the fewest number of throws. A golf disc is thrown from the tee area to a metal kete, which is the target. As a player progresses down the fairway, they must make each consecutive shot from where the disc landed in the previous throw. Te Taiao (natural environment) provide challenging obstacles for the disc golfer. When the disc finally lands and comes to rest within the chains or the kete, the kete is completed.

Please enjoy your round, respect and keep others safe within the course and take care of the environment. Pick up rubbish and look after the whenua.

For more information, see our website for details.

If you see any unsafe behaviour or are in need of immediate assistance, please contact UC Security on 0800 823 637 or 111 for emergencies.
